Sir,

Adverting to your official Memorandum No. 6661 2-7-44-94, dated the 31st October last forwarding for report a petition from Raghuramiah and others praying for the reduction of the increased rate of Mohatarfa charged on their oil mills purchased for the benefit of the temples at Chintamani, I have the honor to submit herewith as per accompanying Index the Vernacular records bearing on the subject.

a & herewith returned with its enclosures.

* to be obligingly returned

2. It will be observed from the same that the oil mills in question which with reference to their productiveness are of the 1st sort were originally charged with a tax of Rupees 7 each probably without due enquiry and that subsequently during the Jamabandi of 1893-94 the tax was raised by the General Assistant-Commissioner to Rupees 15 in each case which is the rate prescribed for a 2nd sort stone mill in Cusbas as per sanctioned scale published at page 119 of the Mysore Revenue Manual of 1886.

3. This rate being very reasonable and even low for the reasons above explained, I confirmed the same

and I do not think that the circumstance of the Petitioners having established the mills for the benefit of the temples which they wished to endow at their own cost would alter the case.

I have the honor to be,

Sir,

your most obedient Servant,

Deputy Commissioner
